Dedication

In dedicating the 1965 MARINER to Mrs. Florence Joachim, the Staff is thanking her, in small part, for all the help she has given her many students during her years here as a teacher. The classes with whom she has worked have profited from her wise guidance, and all students with whom she has come in contact have benefited from her many kind acts. She has given freely and gladly of her time and services, and this dedication is a token of appreciation.

Carl swishes another one.

The one that won the trophy.

Thanks for the lift.

And the score goes up another notch.

Will it, or won't it?

Sink it, Warren, sink it.

I've got it!

Get in there and fight!!!

Block that shot.

Student Council Activities

Dick leads the meeting . . .

. . . and everyone listens.

The Student Council has been organized differently this year. Instead of having representatives from the various clubs, the representatives were elected from A-hour classes. Homecoming, the bonfire, the Christmas tree, and ushers at the basketball games are just a few of the activities sponsored by the Student Council. Miss Kudron and Mr. Cotton are the advisors.

Underclassmen at Homecoming.

At the bonfire.

The Christmas tree.

Ushers goof around.

Homecoming 1964

The week of October 30 proved to be a hectic week. We started with the crowning of our Queen and Court on Tuesday afternoon. A bonfire was held on Wednesday evening.

The Mariner Band performed during halftime; and last year's queen, Jackie Bellow, crowned Cindy Beckett, Queen of 1964-65. The Court consisted of Sandy Franklin and Mary Castleman representing the Senior class; Jean Deaton and Kathy Schilling representing the Junior class; Pam Nichols representing the Sophomore class; and Susan Davidson representing the Freshman class.

Junior Red Cross

The Junior Red Cross is sponsored by Mr. Connors. Its members meet during X Hour. Filling a chest to be sent to a disaster area is their main project.

Medics Club

Medics Club is a new club this year. It was organized because a number of students were interested in medical careers. A variety of speakers have talked at meetings, and the club members have taken a field trip to the University of Michigan.

Art Club

The Art Club consists of twenty members. They meet on Fridays during X Hour when A clubs are allowed to meet.

The Club sponsored a bake sale one night after school was over. The proceeds are going into a fund which is being used in case a person wins the scholarship to Interlochen from our school.

Mrs. Gunderson is the sponsor and has helped all kids in the field of art.

Camera Club

Camera Club is one of the more active activities. Because Mr. Teichow, their sponsor, who gives his time without pay can come only at night, the club meets on Tuesday and Thursday nights.

The club takes pictures of school activities and sometimes sells them in order to pay for their supplies.

Stage Crew

This is one of the hardest working, but least recognized, clubs in school. This group has the responsibility for lighting the stage, handling the loud speaker for assemblies, and playing records at dances. The group is sponsored by Mr. Reed.

Chess Club

Members of the Chess Club meet during X hour in Room 15 to learn to play chess correctly. Mr. Plummer is the sponsor of this club.

Car Club

The Car Club works on improving the shop in various ways. They also work on cars (repairing them) and learn various things about cars. Mr. Bynum is sponsor of the club.

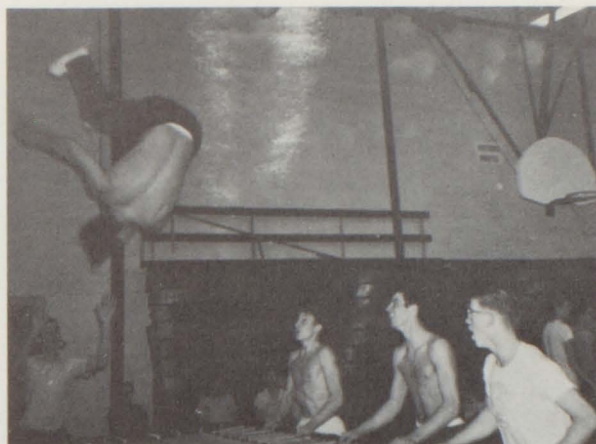

Model Club

The Model Club is a new club this year. It meets for both A and B parts of X Hour. The main idea behind the club is for students to get together to make models of different things. This club is sponsored by Mr. Flemming.

Physical Education Club

The Physical Education Club is sponsored by Mr. Wiinikainen. The club does various things to keep fit, such as playing basketball, working out on the trampoline, tumbling, and weightlifting. The club meets on Tuesday nights.

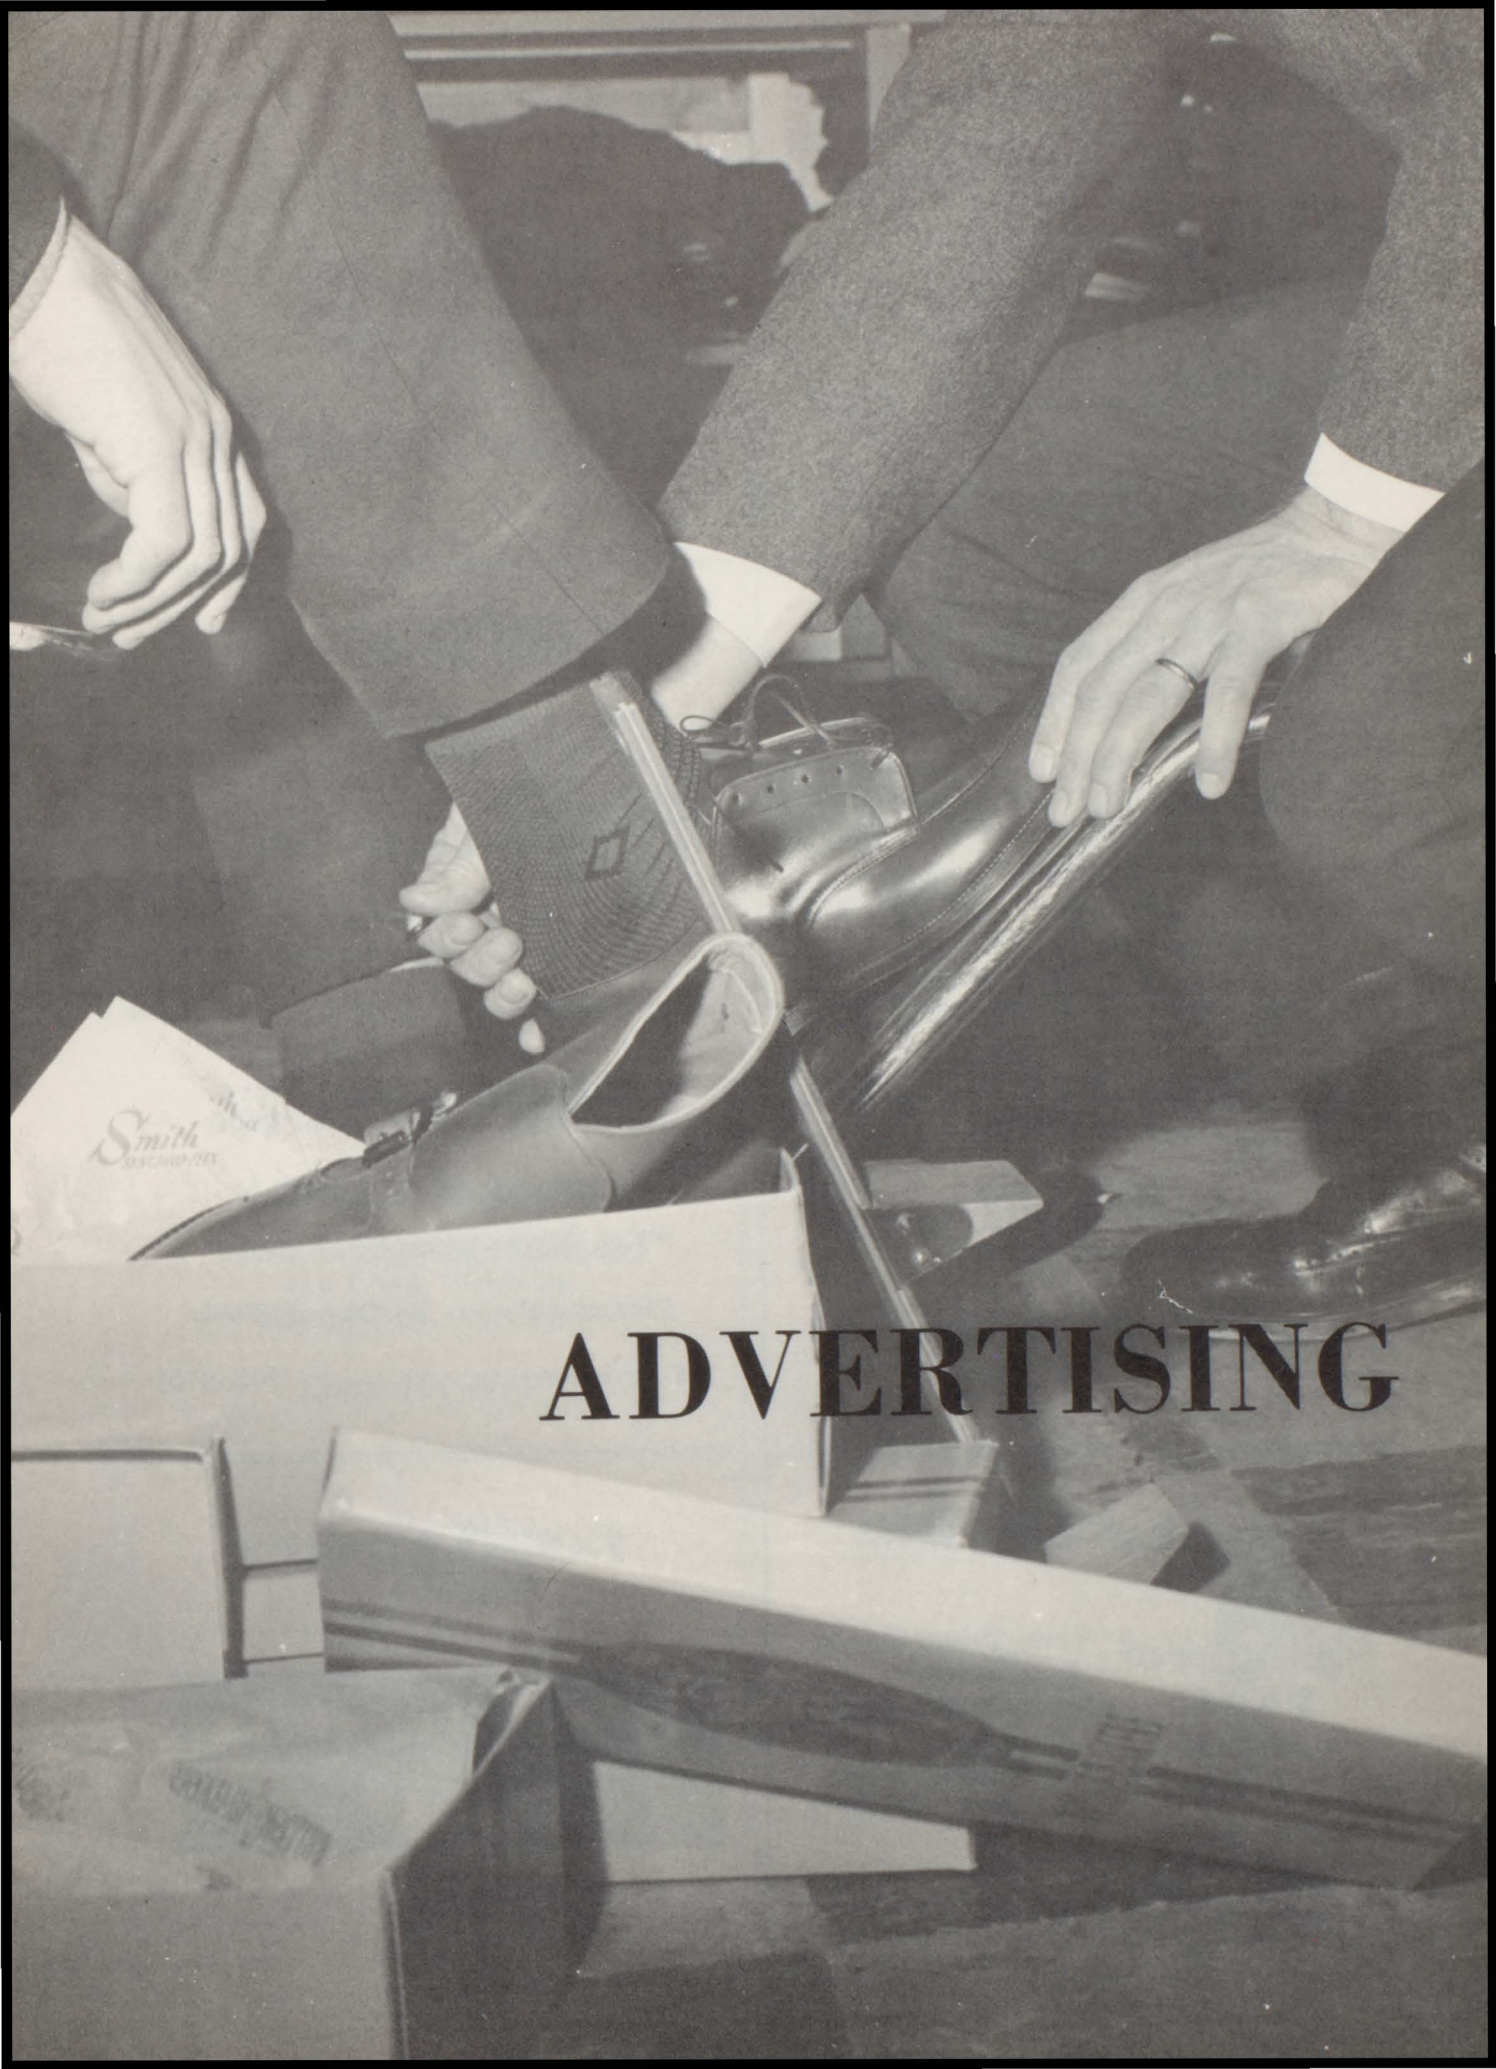

The Science Club, sponsored by Mr. Newcombe, has twelve members. The club keeps the aquarium and the greenhouse clean. Sometimes the members go on field trips. They have projects such as the one concerning products from the peanut.
